General Manager, WMATA
600 Fifth St, NW
Washington DC 20001-2610

Dear Mr. Catoe:

As the federal government has now given its final approval to the Dulles Corridor Metrorail Project, I urge you to work with the Metropolitan Washington Airports Authority (MWAA) and the Virginia Department of Transportation (VDOT) to provide sound barriers along the corridor.

I have a long history of working with communities that are affected by new transportation projects and support erecting sound walls to ensure that those who live along the route are protected.

I urge your attention to this important matter.

Best wishes.

Sincerely,

Frank R. Wolf
Member of Congress
