Mr. James Bennett  
President and CEO  
Metropolitan Washington Airports Authority  
1 Aviation Cir  
Washington DC 20001-6000

Dear Mr. Bennett:

As the federal government has now given its final approval to the Dulles Corridor Metrorail Project, I urge you to work with the Virginia Department of Transportation (VDOT) and the Washington Metropolitan Area Transit Authority (WMATA) to provide sound barriers along the corridor.

I have a long history of working with communities that are affected by new transportation projects and support erecting sound walls to ensure that those who live along the route are protected.

I urge your attention to this important matter.

Best wishes.

Sincerely,

Frank R. Wolf  
Member of Congress
