The Honorable Sean Connaughton
Secretary
Virginia Department of Transportation
PO Box 1475
Richmond VA 23218

Dear Sean:

I saw the piece in Saturday's *Washington Post* about the continuing shortfall for transportation dollars for northern Virginia and just want to reiterate my position concerning the proposal to construct dual turn lanes at the intersection of Route 7 and Georgetown Pike as well as the entire reconfiguration of the intersection. I am confident there is a better use of limited transportation dollars than to push forward with a project that the local community, its supervisor, its delegate, its state senator and its congressman all oppose.

Best wishes.

Sincerely,
